

MEMORIAL WALK

View to show depth of stone

The Branch has embarked on a project to create a “Memorial Walk” whereby members may purchase a stone engraved with the names of those that have served their country in times of war or in peace as well as for other Legion or Ladies Auxiliary members. These stones will be placed along the walkway to the cenotaph and in the area of the cenotaph and replace the current 4 inch by 8 inch bricks currently lining the area. The stones will be considerably larger (16 inches by 9 inches by 4 inches). Cost is two hundred dollars but may vary (see below).

The purpose of the project is to raise funds to reduce our mortgage and all funds received (less the costs for the stone and installation) will go into a special account to be used at the time of our mortgage renewal in 2013.

With the advent of the return to the former names of the services the committee has changed the previous notice that we would use “A” to indicate Army etc to inscribing “RCN, ARMY, RCAF, RCL and RCL LA to indicate service. Provision for other inscriptions is being investigated (like Regiment or Corps - RCR, RCE, RCEME, RCASC etc, but an additional charge may be required). Note also the “Death Date” may be left blank if the member is still living and can be inserted later (no additional cost to member).

Note that the stone shown was produced before the decision above was made. We hope to begin installation in late spring 2012 so get your order in soon. Order form on next page and are available at the Branch.
